Jewels By Sogol, launched in 2006 by Segol Zabit has been widely known for the uniqueness of each of its items. Being influenced by traditional Middle Eastern art, Jewels gives women a sense of royal luxury. The company Jewels By Sogol prides itself in distributing fashion jewelry to the high end store Bloomingdale. From earrings to bracelets, necklaces, and rings, Jewels items are made with Swarovski crystals, gold plated and finely hand painted in Italy that exquisitely elaborates its beauty. With the large variety of styles, Jewels provides women of all fashion tastes with uniqueness. From mass inspired to Middle Eastern inspired jewelry that go both with morning and evening wear. And with the incorporation of bold colors and designs, Jewels By Sogol comes out with a fresh new collection every month. A perfect combination of fierceness and elegance with its bright colors sparkled with a touch of crystals.

Our brand was created by gemstone and jewelry experts in order to bring back to the world the pleasure and importance of wearing unique jewelry. In Jewels Designed For You we believe in fine craftsmanship, the quality of the materials, and stand against the industrialization of the jewelry. We bring luxury close to the customer, by working together with them, understand their personality and needs and designing custom made pieces to crown their important events and become part of their personal history.
Our latest Collection is the "Royal Collection", comprised of one-of-a-kind jewelry items, made of 18K Gold, with diamonds in various sizes, and other gemstones such as Emeralds, Rubies and Sapphires. Each piece is unique, exclusively hand made, and their style is classic and luxurious, yet with a contemporary twist.
